*"Z loved the break dance thank you, hope we can attend more"*

*"The land art session was lovely, B was great with the kids and they loved seeing his artwork and ideas for creating with nature".*

*"the kids very much enjoyed the pottery workshop, they would love to go back for more sessions, the ladies teaching where lovely and the kids really felt like they got a lot out of the session."*

*"Such a big thank you for arranging the sessions. It's wonderful that the children are able to start to get a taster of what is available to learn. On top of that, being in the environment of the Arts Centre is very inspiring, seeing all the university students going about their day certainly opens the mind towards further education. As a parent, I couldn't ask for more!"*
